VENDOR FEES and OTHER INFORMATION:

Vendor fees are based on **TOTAL** space required for vending and storage space.

SPACE FEES: (MUST include tongue, if trailer)

10'x10' = \$800

- Maximum depth of 10' allowed. Maximum frontage of 10' allowed.
- Each vendor must provide their own tables, tents, lighting, fans, etc. Each vendor providing own tent **MUST** have a tent permit issued from the City of Columbia Protective Inspections. Please read guidelines for tent usage at www.gocolumbiamo.com
- *If you are found to be using more space than originally stated, you will be charged for the additional space used. Fee will be collected prior to festival starting. If you fail to pay, you will be asked to leave the premises and no refund will be given.*
- Electrical service is included in the participation fee. Each Vendor will have access to a total of 15 AMPS of power. *All vendors are prohibited from bringing their own generators on-site.*

CLEAN-UP/ELECTRICAL DEPOSIT:

- There is a \$250 deposit per vendor space (\$125 is non-refundable and is for running water access and trash pick-up during Festival hours). The other \$125 is refundable based upon two things: 1) The cleanliness of your vendor space upon your departure and 2) Whether or not your space(s) required more than the 15 AMPS of power provided by the Festival.
- Deposit refund will be issued by mail within 30 days following the Festival.

NOTE: In the past, we have experienced problems with vendors who have used more power than they initially requested. This trips the breakers and causes many problems and delays that we would like to avoid. To help ensure a smoother and safer event for everyone, in the space provided on your application, please give a detailed description of everything you are planning to plug in. Please also note that every vendor is responsible for covering all cables and wires in his or her booth by using wire mats or covers and any cables or wires running into your booth **MUST** be covered at all times. Extension cords, splitters, etc. will **NOT** be provided. Please plan on bringing a minimum of 50' of extension cords to the event and make sure that you have come prepared with power strips, or any additional equipment you may require.

****MAXIMUM POWER PER VENDOR IS 15 AMPS****

1. Please list the types of electrical items you will be using (i.e. oven, refrigerator, grill, etc.).
2. Look at the name plate rating located on each piece of equipment to determine the wattage and amperage needed for that item.
3. All service must be converted to amps. If the amperage is not included on your equipment, the Formula Watts divided by Volts should be used in order to get the correct amperage.

EXAMPLE: Bun Warmer 300 watts/120 volts = 2.5 amps

5 Lamps x 100 watts each = 500 watts/120 volts = 4.2 amps

LICENSING AND PERMITS: Participating vendors are expected to comply with all rules and regulations of the Columbia Police Department, Columbia Fire Department, Columbia/Boone County/State of Missouri Health Department and any other governing authorities' rules and regulations which might apply. *Vendors will be required to pay any and all permit fees at time of application.*

All above fees, including deposits are due with the signed contract no later than 5:00pm August 21, 2009.
